**ABUS LOCK PLUS FOR SHIMANO
STEPS DOWNTUBE BATTERY
MOUNT, KEYED-ALIKE (PAIR)**

~~\$59.98~~ \$56.98

A pair of two keyed-alike lock mechanisms for Shimano STEPS BM-E8010 battery mount KBME80101 with **four matching keys**. When adding a second battery mount, this allows both mounts to share the same high-security key.

This is the ABUS Plus version cylinder for high protection against manipulations, e.g. picking.

For Shimano downtube Batteries. Four keys are supplied with the two locks.
